

# BEPCO, INC

## WATER PUMPS

### PRODUCT & INFORMATION

# WARRANTY POLICY

The manufacturer warrants to the original purchaser that its water pumps will be defect free in workmanship and materials under normal use and service. This warranty shall be extended for one year or 100,000 miles, whichever comes first.

The manufacturer's products claimed to be defective should be brought to the attention of the route man or shipped to the factory within 30 days after the defect is discovered.

The manufacturer's products returned to the factory should be labeled with a warranty tag, and identified as to reported operational problems.

The manufacturer will, at the original purchaser's option, repair or replace the product or allow full credit at the current purchase price for any product determined to be defective by the manufacturer's quality inspection team if the unit is within the mileage and time allowances and properly installed and maintained. Transportation charges on replacement parts will be at the manufacture's expense.

## WARRANTY DISCLAIMER

**The foregoing Warranty and the obligations and liability of the manufacturers' are exclusive and are given in lieu of: 1) all other warranties, guarantees, or liabilities, either express or implied, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose; and 2) any obligation, liability, right, claim, or remedy in contract or tort, whether or not arising from the manufacturers' negligence or strict liability. Any legal right to assert any claim in tort, including, without limitation, claims of negligence or strict liability or failure to warn, are expressly waived by purchaser in consideration for the foregoing express warranty and a purchase price which has been reduced in exchange for these limitations of liability. Any remedies of the purchasers shall be limited to those provided herein to the exclusion of any and all other remedies, including, without limitation, loss of use, revenue, or incidental or consequential damages.**

**The manufacturer and purchaser agree to extend the terms and limitation of waiver/disclaimer and all other provisions set forth above to each party's respective parent companies, subsidiaries, affiliates, assigns, successors in interest, subcontractors, and component part manufacturers and suppliers a every tier, as third party beneficiaries of the terms above.**

**The parties intend that this disclaimer/waiver of liability set forth above be construed broadly to achieve the intended objectives of imposing liability limitations.**

# DISCLAIMER

All of the pictures, specifications, descriptions, text and other data in this catalog have been carefully checked and researched with original manufacturer's catalogs at the time of publication. We assume no responsibility should any information be deemed as incorrect, and reserve the right to make changes at any time without notice.

Manufacturer's names, symbols, numbers and descriptions are used for reference purposes only. It is not implied that any part listed is the product of these manufacturers.

NOTE: Any references made herein to Allis Chalmers®, Bendix®, Case®, Caterpillar®, Chevrolet®, Clark®, Continental®, Cummins®, Detroit Diesel®, Dodge®, Ford®, GMC®, John Deere®, Hino®, International®/Navistar®, Isuzu®, Mack®, Massey-Ferguson®, Mercedes Benz®, Perkins®, Volvo-White®, are purely for identification purposes only.

All of the above companies are registered trademarks or trade names of their respective companies. We do not intend to represent any parts shown as products manufactured by the above companies.
